## We seek additional sponsors for 2026 and 2027

### Our 9-month results speak for themselves:

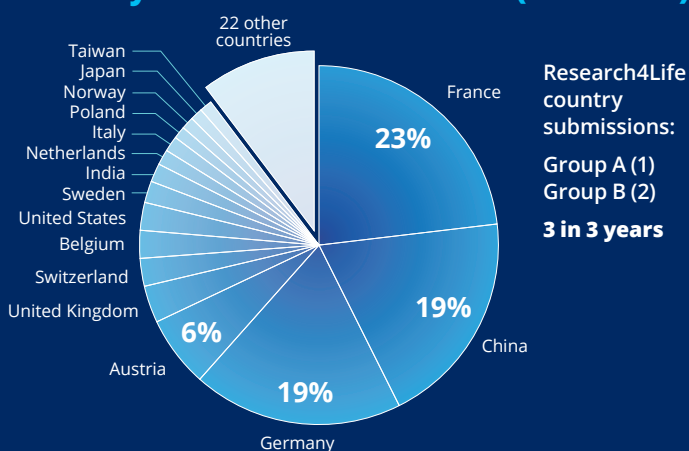

Submissions to  
*Acta Acustica*  
2022–2025

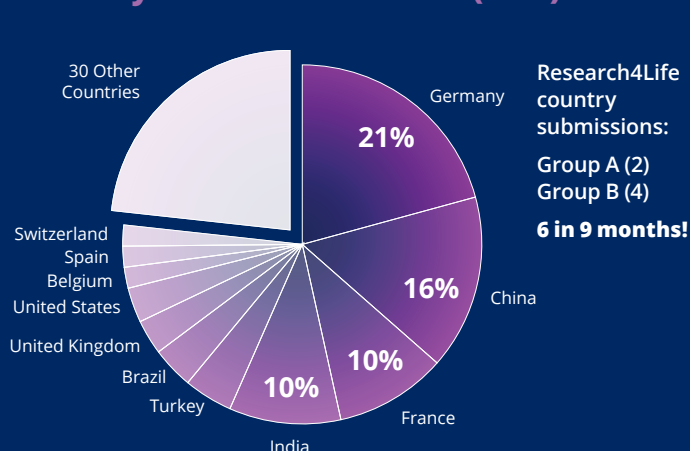

switch to DOA

#### Diversity of Submissions 2022-24 (with APCs)

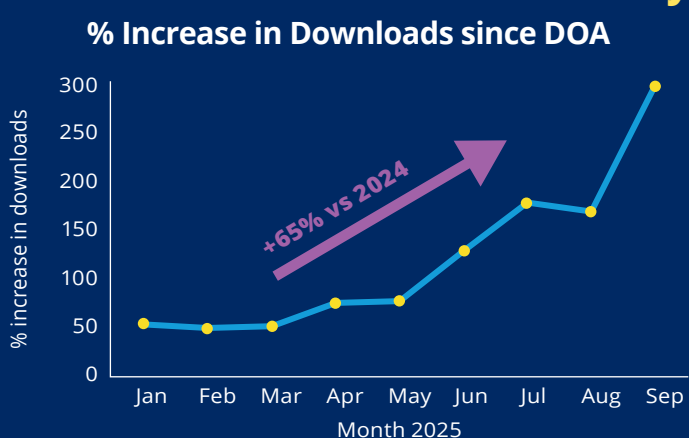

#### Diversity of Submissions 2025 (DOA)

Proportion: % of total articles submitted by country of corresponding author

#### Broader Global Reach and Visibility

#### A suggested contribution of €2,000 per year (equivalent to two APC articles) would help to:

- Support the continued growth of the journal
- Strengthen its international scientific standing
- Distribute publication costs more equitably among supporters
- Provide financial resilience if a sponsor withdraws
